

Jacqueline D. Laldee

Education

Bachelor Degree in Nursing, University of Maryland-Baltimore

Short Biography:

Jacqueline “Jackie” Laldee is a Registered Nurse currently employed at Kaiser Permanente as a Utilization Management Compliance Coordinator. She holds various sub-specialty certifications and distinctions to include Certified Professional in Health Care Management, American Case Management Society, Certified Case Manager, and Critical Care Registered Nurse. Additionally, Jackie is the Co-Founder and Vice President of Color World Incorporated and is involved with the Healthy Babies Project, the Embassy of Grenada, Dress for Success Washington, DC, National Black Deaf Advocates and The SEED School of Washington, DC. She is a member of American Association of Critical Care Nurses, Sigma Theta Tau International Honor Society, and American Case Management Society. Jackie aspires to impart a sense of unity, diversity and community. To Jackie, diversity means embracing all agendas that support the advancement of the Deaf community on a national and international level. She strongly believes that it is important to support others and to be involved in our communities while embracing people of different backgrounds for they are more alike than they are different. Jackie resides in Olney, Maryland with her husband, Adrian, and two daughters, Shari (hearing) and Chenae (deaf).

Jackie has served on the ASDC Board since 2014.
