

Dr. Lisalee D. Egbert is the vice president of the American Society for Deaf Children, board member for Maryland's Governor's Advisory Council for the Deaf and Hard of Hearing and serve on the Maryland advisor counsel for Linguistic and Cultural Competency. The work she is most proud of is reflected in my family, friends, colleagues and students. She and her husband are both Deaf and are proud CSUN alumni. Their daughter, a powerful CODA, is in her doctoral program at Gallaudet. Their son is Hard-of-Hearing and is attending RIT/NTID for engineering. They have a delightful CODA son with unique special needs. And their youngest son, who is Hard of Hearing, is showing them daily that his future is bright.
